Dedication

We dedicate this year's yearbook to a lady who has been active both on and off campus on our behalf. She is one of our home/school liaison persons, and thus devotes much time to working with both the students and parents of Y.B. She describes one of her major objectives as helping achieve parental understanding, cooperation, and involvement in our school!

Among her hobbies are bowling, needlepoint, and gardening. She has a daughter who attends Piedmont Hills High.

We are glad that she enjoys working with people, as we definitely like working with her.

We proudly dedicate the 1980-81 AZTEC to MS. JIMMIE CARR.
